Installation

- To cut Caravelle tiles, we recommend a wet saw fitted with a continuous rim diamond blade.
- Wastage allowance may vary depending on your laying option of the Subway tiles.
- We strongly recommend engaging a certified tiler for the installation of our products to ensure the highest quality outcome.
- All installers working with SCC products are required to adhere to Australian Standards AS3958.1-2007 for proper installation procedures.

Care and Maintenance

- DO NOT clean Caravelle tiles with strong acid or abrasive cleaners
- We recommend using a soft sponge or cloth with kitchen spray, PH-neutral tile cleaner, or white vinegar diluted with four parts warm water.
